## **HomeGroup Questions**

Fall Session 2018

### **Uncommon GENTLENESS**

*Matthew 11:28-30*

1. Why do you think gentleness is so uncommon in our culture? Why is it so uncommon even among believers?
2. Read Matthew 11:28-30 and review the points of the outline. What part of the message would you like to discuss further with your group.
3. In the message, gentleness was defined as strength under control. What would you add to that definition?
4. How are being "weary and burdened" (vs. 28) counter-productive to gentleness? Alternatively, how does experiencing Jesus' rest (also vs. 28) contribute to a spirit of gentleness?
5. Robb mentioned several snapshots from Jesus' life where He operated from gentleness. What examples can you recall? How does Jesus redefine what godly gentleness looks like?
6. Jesus offers us an easy yoke (vs. 30). But that doesn't mean the spiritual life is easy. What does it mean?
7. If we rely on Jesus to shoulder the load (His Yoke) with us, what part do we play? What is our responsibility in expressing this fruit of the Spirit?
8. With what specifically would you benefit most from, focusing on uncommon gentleness this week? Why?
