Spring Session 2020

**Bringing Your Faith HOME** | Church on the Couch  
Proverbs about Fearing the Lord | April 19, 2020

1. Take a moment to catch up and see how everyone is doing.
2. This week we began the new series, Church on the Couch. In what room do you do online church? What do you sit on?
3. How can doing Church on the Couch change the way you think about your home differently?
4. Review this week's message and the verses about fearing the Lord from Proverbs. What points from the message were important to you this week?
5. What does it mean to you to fear the Lord? What other verses and concepts from the Bible would you use to explain that God doesn't simply want people to be afraid of Him?
6. Of the five areas of the house that were mentioned in the message, which is the easiest for you to experience God? Which is the hardest? (Remember your kitchen table represented inviting God into the center of your home. Your cupboards represented being content with what you have. Your front door represented being wise as you engage with the outside world. Your pillow represented resting in God's care. And your thermostat represented your spiritual impact on your household).
7. How does a healthy fear of God put other natural fears to rest? Does it always? Why or why not?
8. Take time to share prayer requests and pray for one another. Also dedicate your homes to God, and those under its roof, in a fresh way during this series, Church on the Couch.

*Take time to share prayer requests and pray together.*
