Getting Over Hurt | Get Over It

2 Cor 2:1-11 | May 2, 2021

1. Country music — fan or not? Go!
2. This week's message addresses getting over hurt — especially being hurt by another believer. Read 2 Corinthians 2:1-11 and review the outline. What did you learn? What would you like to discuss more?
3. Paul refers to a painful letter he wrote to the Corinthians (a personal letter that we don't have). From 2 Cor, 2:3-9 and 7:8-13, what do you deduce that the letter was about?
4. Apparently the believers in Corinth took Paul's advice to heart and confronted the destructive conflict in the church. Now he encourages them to move on to forgiveness (vs. 2:7). Have you found forgiveness to be more of a journey or an instant event? Explain.
5. According to verse 8, what is the measurement of true forgiveness? Is that really realistic? How would it look?
6. Many people overlook that forgiveness is good for the forgiver as well. List some benefits to the one who forgives.
7. How might Satan use the hurdle of hurt as a scheme (vs. 11)?
8. Is there anyone you need to forgive right now (no names)? What part of the forgiveness journey are you on? What might be the next step?
9. Take some time to pray for one another. And don't forget to report any answers to prayer so far.
