Spring Session 2022

God Draws Straight Lines with Crooked Sticks | *Activated*

John 21:1-22 | May 22, 2022

1. For a month, if you could only have breakfast for every meal, lunch for every meal, or dinner for every meal, which would you choose? Why?
2. Read John 21:1-22 and review the outline. How does this passage personalize and enhance your understanding of the more famous commission recorded in Matt 28:16-20?
3. Look at vss. 6-7. Have you ever had an *It-is-the-Lord* moment? Explain.
4. Where does Jesus get the fish in 9? Now look at vs. 10. What does that tell you about our efforts combined with Jesus' work?
5. How does Jesus' serving breakfast to Peter in vs. 9, prepare him for what Jesus discusses in vss. 15-17?
6. Why is Peter expressing his love for Jesus (and not simply Jesus expressing His love for Peter) key to Peter's restoration?
7. Why do you think Jesus compares His people to sheep?
8. Based upon your gifting and story, what do you think is part of your unique calling from Jesus?
9. This is the final HomeGroup of the Spring. Now would be a good time to get your phone out and plan some get-together(s) with your group over the summer.
10. How can your group pray for you?
