Spring Session 2022

**FOCUSED** – Series: ACTIVATED – Acts 1:1-11

1. In what ways has God proven himself to you? As you look back at the work God has done in your life how does that affect your outlook on the call on your life to fulfill the Great Commission? Motivated?

2. What is your first thought on the action required to be a part of the Great Commission? Is there a necessary action/audience? Is it overwhelming?

3. How do you feel the Holy Spirit has empowered you specifically to reach people for His purpose?

4. Who in your life are you praying for? Who has God put on your heart to be a witness to and in some way show the love of Jesus?

*How can your group pray for you? Take some time to pray for one another.*
