2. Read John 18:1-9. Throughout His ministry, and even at His arrest, Jesus used questions with people. Why do you think He did so?
3. Judas left during the Last Supper (see John 13:30). As you read the account in John 18:1-9, what do you think Judas expected? What do you think he was thinking as the encounter with Jesus ensued?
4. What are some misconceptions people have about Jesus that He wants to remedy?
5. How has your understanding of Jesus grown as you've gotten to know Him better?
6. How could living with Jesus' question, "Who is it you want?" help prepare a believer for Easter and beyond?
7. What do vs. 8-9 tell you about Jesus? About His work in your life?
8. Review the three Takeaways at the bottom of the outline. What was helpful? What other takeaways from this passage would you add?
9. How can your group pray for you?
