Shine His Light – 1980s | *Faithful through all Generations*

2 Cor. 3:15-4:6 | Apr 23, 2023

1. Who in your family was alive in the 80s (Your grandparents, parents, you)? If you were around, what do you remember from it? If you weren't what is your impression of it? Can you define *Bodacious*?
2. Did you write anything on the 1980s God's Faithfulness poster in the lobby? If so, what?
3. Had you heard the song, Shine Jesus Shine? It had a *long* shelf-life. How would you describe the basic message of the lyrics?
4. Read 2 Cor. 3:15-4:6 and review the message. What stood out for you?
5. What do you think Paul meant by a veil over the hearts of the Israelites when they read the Old Testament law? Does this mean that God's Word isn't clear to those outside the faith? If not, what does it mean?
6. According to vs. 3:18, what are the wonderful outcomes for those who contemplate the Lord's glory (in His word and Creation)?
7. 2 Cor. 4:6 compares God's work at Creation with God's work in us now. Read Genesis Chapter 1 and list some of the parallels between what God did at Creation with what God does in His people today.
8. Doug said, "*I have no brightness in myself. But as God shines in my heart I, too, will radiate His glory.*" What have you found helps you let Jesus shine through you more?
9. How can your group pray for you?
